

## MADDIE'S HOUSING AGREEMENT

### Statutory Authority

I understand that WLW Inc operates pursuant to Title 42 of the United States Code ss300-25, and the Federal Anti-Drug Act of 1988, PL 100-690 ss300-25, as amended. Federal Law permits the use of federal start-up funds as long as the House: (A) prohibits all residents from using drugs and alcohol or illegal drugs: (B) expel any resident who violates such prohibition (C) equally shares household expenses, including the monthly lease payment, among all residents; and (D) utilizes democratic decision making within the group, including the inclusion in and expulsion from the Home.

Under federal law, I agree to be expelled immediately from the Home if I violate the terms of this Agreement. I understand that in living in the Home and agreeing to these terms, I do not have the same rights that I would as might in a landlord/tenant relationship. In accepting these terms, I understand that federal law controls, and thereby waive normal due process afforded by local landlord/tenant laws.

By signing this contract I have read, understand and agree to the Expectations and Levels of Care for Maddie's House. I also, certify that my signature on the document to be legally binding. I sign this contract of my own free will.
